Prayer to St. Isidore of Seville

Guide us in our use of the Internet, St. Isidore of Seville.

You were a poor student.

You gave problems over to God and became one of the most learned of your time, writing dictionaries, encyclopedias and a history of the world.

O Servant of God, we are poor students.

While we celebrate the wealth of information we can find online, keep us wary of the dangers that exist there too.

Pray for us that we might seek wisdom, protection, and right judgement.

O Patron Saint of the Internet, pray for us. **AMEN**
