

Our New Colleagues

Gracious God,

With joy, we now join here together to celebrate, as some look back on times past and as others look forward to times yet to come.

We rejoice in the opportunity to become better acquainted with our colleagues while finding You in them.

We are grateful for the encouragement we receive to seek to know You as the source and substance of the mission and identity of our place of employment.

We are humbled to be entrusted with the service and promotion of social justice in our local and global communities.

We ask that You guide us in this service.

We praise You for Your generous gift of life and love and ask for Your help in sharing that love with everyone we meet.
